see your vision, make it happen

“Before finding Vistage, I had considered everything from building a board of directors, to coaching, to finding a mentor, or taking some business courses to help me grow as a leader. Anything other than Vistage would have been a big mistake.

Vistage has answered all my needs as a business owner. I go home at night with peace of mind about the decisions I’m making and confidence about the vision of what we want to become as a business. You can’t afford to be in business and not join Vistage. Vistage sees your vision and helps you make it happen.”

smart people with no agenda

“Vistage takes you outside of your comfort zone, which is the only way to truly grow as a leader. My group is full of extremely smart people whose insights help me rethink my most important decisions and get better outcomes. There are no agendas in the group so we’re completely open. I know I can call on my Chair and my group for anything. That’s rare in business and in life.

“I look at Vistage as exercise for my business. It’s vital for the health of my company.”

increasing personal performance

“I’ve definitely grown personally through my membership in Vistage. The quality of our expert resource speakers has been incredible. I’ve been able to implement many new ideas, as well as learn how to increase my personal performance. My Vistage group helped me successfully work through a massive reorganization. Best of all, this reorganization has increased our revenues and profitability. For the first time in three years, we are ahead of first-quarter projections. In keeping this pace, we will finish the year exceeding our plan by more than 10 percent.”

becoming a professional CEO

“Before I joined Vistage, I viewed myself as a salesman who was trying to run a company. Today, I’m a professional CEO. Vistage has completely changed the way I operate.”

Mike Rowlett, CEO

“When I joined, the net income of my company was \$400,000. Today, it’s \$3 million. Our revenues have doubled

from \$60 million to \$120 million and our profitability has increased 800-fold since I joined Vistage.

“Four other members of my management team are members and we credit much of our success to what we have learned in Vistage. It has made us millions of dollars.”
